"We hired Tom Bryant from Bryant Industries to instruct Three Welder Apprentice in The Art of Welding. I would recommend Tom on his professionalism, knowledge, and one-on-one interaction with the students. Tom gave the employees the burst of confidence they needed to prove to themselves they could handle any task."

"Tom taught and certified 7 of our facility technicians to be 6G certified welders. He helped save us money with supplying prepared steel for training as well as assisting with grant paperwork and scheduling during demanding situations Tom is punctual, assertive and if given the opportunity, we would do it again."
